

## **Cleaning & Maintenance Guidelines**

*Inskiers Ski Cabin*

*2016-2017 Ski Season*

1. Clear snow from entryway and front deck using supplied shovels.
2. Clear snow at garage door using supplied shovels.
3. Clear snow from around spa using supplied shovels
4. Vacuum upstairs carpets and floors with vacuum cleaner in linen closet.
5. Vacuum downstairs carpets and floors with vacuum cleaners in hall closet.
6. Sweep garage floor using supplied push broom.
7. Clean bathrooms using supplied equipment and materials.
8. Clean kitchen using supplied equipment and materials.
9. Rinse dirty dishes thoroughly. Place in dishwasher.
10. Turn on dishwasher, if you plan to remain in cabin for 90 minutes. Otherwise, leave the dishes unwashed.
11. Place non-recyclables (white trashcans in/about cabin) into gray barrel in bear-proof enclosure next to driveway. Place new liners in emptied trashcans.
12. Place recyclables (right-side trashcan under kitchen sink) into supplied blue Glad bag. Put blue bag next to gray barrel in bear-proof enclosure next to driveway. Place new liner in emptied trashcan.
