

INSKIERS CABIN CANCELLATION POLICY

- When a reservation has been confirmed - **there is no cash refund**. You are committed to pay for your reservation and will be billed accordingly.
- If road conditions cause you to miss your arrival date (Cal Trans must have a forced road closure in effect) then a credit will be provided for the night missed. All other nights will be billable.
- If you paid a regular cabin night reservation and need to cancel for personal reasons you can request that your night be given to a person on the wait list. If there is no wait list, then you are responsible for paying for that reservation.
- If you need to cancel and have a \$350 package, then you may make a request to transfer your reservation to another weekend or mid-week period.
- No full or partial refunds will be given.
