

## **Parking Guidelines**

*Inskiers Ski Cabin  
2016-2017 Ski Season*

### **Winter:**

- *Never, ever park your car on the street in wintertime, as the City of Truckee will tow your car summarily—and expensively.*
- For maximum convenience, park two cars in garage and six on driveway.
- Leave the keys to your car on the key rack at the front door, so it can be moved if need be. Otherwise, you may suffer an early wake-up call!
- Overflow parking may be available at Jayne's cabin across the street. Please call Jayne at 530-587-8675 and ask her permission. If given, park your car on the left side of her driveway.

### **Summer:**

- Cars may be parked on the cabin side of the street in the summertime.
- For maximum convenience, park two cars in garage and six on driveway.
- *Never, ever park your car opposite the cabin's driveway. Or, your car might get backed into, as happened last summer.*
