

Snow Removal Guidelines

Inskiers Ski Cabin

2016-2017 Ski Season

The City of Truckee will clear snow from Roundhill Drive and surrounding streets after each snowfall. SnowTech (800/452-3060) will remove accumulation from the cabin's driveway soon after. And, Owner will contract with DeckEnvy (530/587-1700) for clearing of entryway and spa areas after major snowfalls, if feasible.

Removal of minor snowfalls is the responsibility of cabin guests. And, you may satisfy your housekeeping chore by executing one or more of the following tasks using supplied snow shovels, ice picks, and rock salt.

- Remove residual berm, if any, between cabin's driveway and city street.
- Remove residual berm, if any, between driveway and garage door.
- Clear snow from entry stairs and deck. Spread rock salt on icy patches.
- Clear snow to deck level on all four sides of spa. Also, the spa cover.
- Clear ice from around spa and its cover using supplied rock salt.
- Clear snow from around patio door at rear of master bedroom.
- Clear snow from around patio door at rear of great room, if BBQ to be used.
- Clear a 30" walkway from patio door to patio door, for secondary spa access.
